“I shall transcend my self, be a universal man; and be humble soldier of my motherland”  
- *Umashankar Joshi (Gujarati Poet)*

## Vision

- To include values of equality, unity and justice.
- To provide leadership in higher education by imparting quality and socially relevant knowledge.
- To make students conscious of their duties to the country and to follow human rights.

## Mission

- To educate students in all areas of scholarship and to advance knowledge.
- To develop citizens with knowledge, skills and character leading to social transformation and national development.
- To develop aptitude and skills of students to equip them to face the challenges and needs of fast emerging society.
- To create greater opportunities for girl students in order to prepare them to be effective leaders.

## Message from the Vice-Chancellor

Welcome to Hemchandracharya North Gujarat University (HNGU).

In the emerging global scenario, higher education institutions have to play a catalytic role of building the capacities of the youths, in terms of, developing the required traits to make them life-long learners, equipping them for entrepreneurial abilities, and finally, to develop the leadership qualities of responsible citizens. The basic aim is to make them globally competitive. Driven by the thirst for knowledge and motivation to make a big difference, the University provides an intellectually stimulating learning environment consisting of outstanding faculty members, apt teaching and learning environment and excellent infrastructure and support systems. The entire campus is Wi-fi enabled with 1 Gbps NKN connectivity adequate for networking.

The HNGU is located at Patan, which is a part of the Northern Region of Gujarat State. University campus is spread over 221 acres of land with a natural, pollution free environment. Patan city has a great historical legacy of being the capital of Greater Gujarat for around 700 years. The University is named after a great Sanskrit and Prakrit scholar, Jain Monk Hemchandracharya, who pioneered creation of Gujarati Language by preparing the first Gujarati Grammar. The university caters to the higher educational needs with 27 Post Graduate Departments and Centers at its headquarters and more than 368 affiliated colleges spread over five districts of Patan, Mehsana, Banskantha, Sabarkantha and Aravali.

University has ensured the development of a collaborative environment conducive to learning, research, innovations and knowledge based entrepreneurship. It also focuses on creating flexibility in the systems and processes. University provides good platform for national and international collaborations.

The HNGU family is looking forward to welcome you.

**Prof. B. A. Prajapati**

Vc. Registrar  
Hemchandracharya  
North Gujarat University, Patan

Hemchandracharya North Gujarat University aims at knowledge generation and its dissemination to serve the society by empowering people on a large scale by means of achieving excellence.

Life at HNGU focuses on creating learning opportunities which are beyond academics outside the classrooms. Housing, fraternities and sororities, student activity cells and sports are but a few of the facilities on campus which equips the students for being a lifelong learners.

All our efforts at the university leads to inculcate and strengthening the confidence in the self-belief to be whoever they want to be. At the end they will have confidence and excited about their future. This is possible because of the extraordinary range of opportunities to choose during the student life at HNGU.

HNGU is one of the promising higher educational institutions of the Gujarat State. We strongly believe that by means of expanding choices, allowing to bring out the potential, sharing the enriched experiences which will lead towards the world class status.

## Salient Features and Landmarks

- More than 368 affiliated colleges and 27 PG Departments, Centres and Constituent Institutes.
- Over 150,000 students in the current academic year.
- International Students from U.S.A, United Kingdom and France for various research activities on the Campus.
- Excellent support for research with the University's own funding.
- National and International collaborations in research and teaching.
- University's own research journals and Fortnightly Newsletter published regularly.
- Excellent outdoor and indoor sports facilities.
- Well designed and maintained landscaped campus.
- "Green" campus with roof top solar arrays for renewable energy and LED lights to meet the goal of being carbon neutral campus.
- Master in Hospital Management (MHM) - A centre for medical management and research on the campus.
- Latest ICT-enabled infrastructure including smartboards.
- Online centralized admission process, enrollment, exam and e-payment enables University for cashless transactions.
- Fully operational Internal Quality Assurance Cell (IQAC).
- Fully operational University-Industry Linkage Cell to facilitate the development of symbiotic relationships between the university and partners from different industrial sectors.
- On campus constituent Institutes for Bachelor Degree in Architecture and Business Administration.
- Super computing (PARAM Shyvaak) facility for research and innovation in Bio-Informative science.
- Fully operational environment cell to assure green campus and sustainable development
- Central Instrumentation Maintenance facility.

## Brief Profile

HEMCHANDRACHARYA NORTH GUJARAT UNIVERSITY (HNGU) is a state university, situated in the Heritage city Patan in the North Gujarat region of Gujarat State, India. The university is NAAC accredited 'A' grade university.

The North Gujarat University (NGU) has been established by NGU Ordinance. The ordinance was later converted into an act, passed by Gujarat Legislative Assembly on 29 August 1986 as "NGU Act". The university now has been renamed as "Hemchandracharya North Gujarat University", to honour the great philosopher, thinker and Jain Acharya Hemchandracharya Suri, who made valuable contribution to the studies in grammar, literature, religion and philosophy.

The campus of the University is spread over 221 acers of land. The jurisdiction of the University includes Mehsana, Patan, Banaskantha, Sabarkantha and Aravalli districts having total approximate geographical area of 33,000 sq. km.

## Infrastructural Facilities on the Campus

- Boys Hostel – 600 Seats
- Girls Hostel – 290 Seats
- Indoor Sports Stadium
- Outdoor Sports Facilities
- Primary Health Centre
- Auditoriums – Capacity varies from 100 to 800 Persons
- Central Library – More than 85,000 books
- Open Air Theater – 1500 Capacity
- Computer Centre
- Food Courts
- Post Office
- Stationary Shop
- Banking and ATM Services
- Wi-Fi Campus
- Botanical Garden
- Faculty Guest House
- Research Student Hostel
- Child Care and Women Centre

## Various Activity Cells

- Internal Quality Assurance Cell
- University-Industry Linkage Cell
- Placement Cell
- Committee Against Sexual Harassment
- University Employment Bureau
- Environmental Cell
- International Relationship Cell
- Research and Consultancy Cell
- Entrepreneur Development Cell
- Career Counseling Cell

## International Relationship Cell (IRC)

The International Relationship Cell has been established to facilitate mutually beneficial international academic exchange and collaboration between HNGU and foreign Universities / Institutions as well as various types of organizations of National and International repute for contributing to internationalization of University.

### Major Role

- To oversee and coordinate all international activities of the University, including to develop, coordinate and strengthen international linkages with foreign higher education institutes / universities for academic and research programmes of mutual interest through MoUs and Agreements.
- Identifying emerging opportunities to develop international peer-to-peer academic partnerships that help address global challenges by joint research and exchange programmes.
- To promote the exchange of students / faculties / research scholars between HNGU and outside Universities.
- Building a platform to assist International and Indian scholars for career / professional advancement and to contribute towards enhancing bilateral relations.

HNGU has signed MoUs with some of the premier institutions around the world and established linkages with Universities and Institutions in USA and Europe.

To discuss or to plan an international engagement, please reach out us as at [irc@ngu.ac.in](mailto:irc@ngu.ac.in)

## Message from the Vice-Chancellor

Hemchandracharya North Gujarat University, which is named after great spiritual Jain monk, Acharya Hemchandracharya Suri, since its inception in 1986, has been working for development of knowledge and skills in the students and building students' character with integrity. The university is committed to provide many graduate and postgraduate students with vision of betterment of society and for encouraging them to provide meaningful contributions in various sectors of the country. The university is continuously working to achieve value-based learning through interdisciplinary approach to 512 affiliated colleges in five districts: Patan, Mehsana, Banaskantha, Sabarkantha and Aravalli, accommodating the strength of nearly two lakh students. It is a well-established center with emphasizing on research, innovation and practical implementation of the knowledge gained.

Along with well established infrastructure and excellent environment for education, university also motivates the students to enhance their engagement in various co-curricular and extracurricular activities like sports, Youth festival, cultural activities, Yog, community services, NCC, NSS campaigns etc. for holistic growth.

The university is always aimed towards working for the safety of the community. During the tough- times of novel corona virus Pandemic, the university has provided 30000 hand sanitizer bottles free of cost to community and creating awareness through various series of webinars and online sessions and also set an oxygen storage tank of 13000 litre capacity with the support of Government of Gujarat to help the health sector to meet the high demand of oxygen.

Efforts made to achieve the standards as per National Educational Policy (NEP-2020), promoting digital education system at various levels and transformative learning and skill development to make the students more efficient in their future endeavours and placements and also encouraging entrepreneurship for "Aatma Nirbhar Bharat".

University provides a good platform for International collaboration and welcomes all the students across the globe for learning and development.

With great pleasure, I welcome you to the HNGU family on the glorious land of Patan, the historic capital of Gujarat.

**Prof. (Dr.) J. J. Vora**

Vice Chancellor, H.N.G. University, Patan

Vc. Registrar  
Hemchandracharya  
North Gujarat University, Patan

# TOWARDS WORLD CLASS EDUCATION

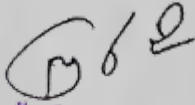

Hemchandracharya North Gujarat University aims at knowledge generation and its dissemination to serve the society by empowering people on a large scale by means of achieving excellence.

Life at HNGU focuses on creating learning opportunities which are beyond academics outside the classrooms. Housing, fraternities and sororities, student activity cells and sports are but a few of the facilities on campus which equips the students for being a lifelong learners.

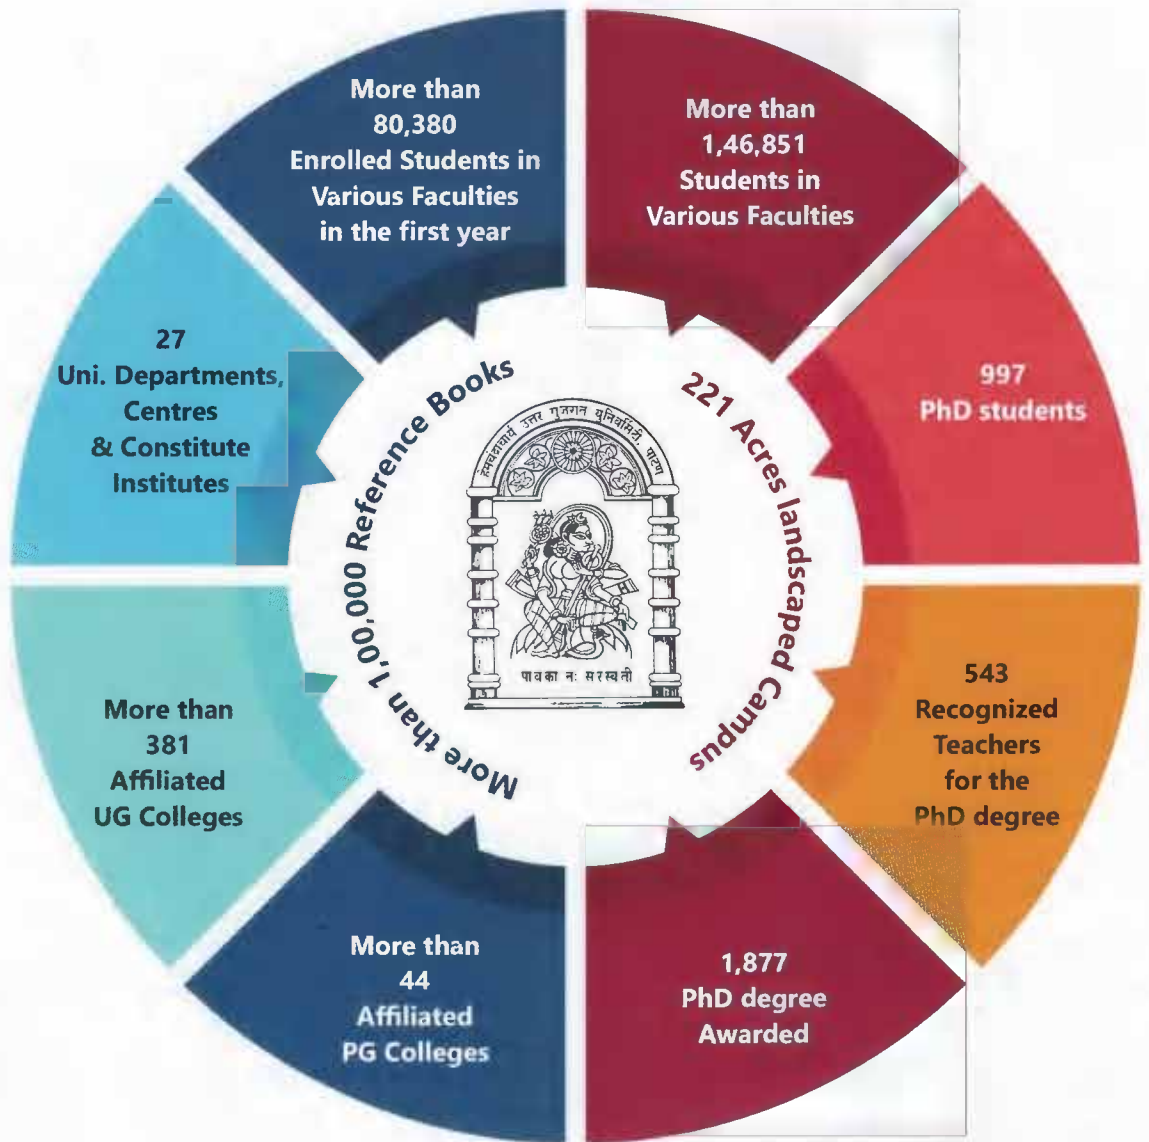

All our efforts at the university leads to inculcate and strengthening the confidence in the self-belief to be whoever they want to be. At the end they will have confidence and excited about their future. This is possible because of the extraordinary range of opportunities to choose during the student life at HNGU.

HNGU is one of the promising higher educational institutions of the Gujarat State. We strongly believe that by means of expanding choices, allowing to bring out the potential, sharing the enriched experiences which will lead towards the world class status.

## Salient Features and Landmarks

- More than 368 affiliated colleges and 27 PG Departments, Centres and Constituent Institutes.
- Over 146851 students in the current academic year.
- International Students from U.S.A, United Kingdom and France for various research activities on the Campus.
- Excellent support for research with the University's own funding.
- National and International collaborations in research and teaching.
- University's own research journals and Fortnightly Newsletter published regularly.
- Excellent outdoor and indoor sports facilities.
- Well designed and maintained landscaped campus.
- "Green" campus with roof top solar arrays for renewable energy and LED lights to meet the goal of being carbon neutral campus.
- Master in Hospital Management (MHM) - A centre for medical management and research on the campus.
- Latest ICT-enabled infrastructure including smartboards.
- Online centralized admission process, enrollment, exam and e-payment enables University for cashless transactions.
- Fully operational Internal Quality Assurance Cell (IQAC).
- Fully operational University-Industry Linkage Cell to facilitate the development of symbiotic relationships between the university and partners from different industrial sectors.
- On campus constituent Institutes for Bachelor Degree in Architecture and Business Administration.
- Super computing (PARAM Shavak) facility for research and innovation in Bio-Informative science.
- Fully operational environment cell to assure green campus and sustainable development Central Instrumentation Maintenance facility.

## Brief Profile

HEMCHANDRACHARYA NORTH GUJARAT UNIVERSITY (HNGU) is a state university, situated in the Heritage of Patan in the North Gujarat region of Gujarat State, India. The university is NAAC accredited 'A' grade university.

The North Gujarat University (NGU) has been established by NGU Ordinance. The ordinance was later converted into an act, passed by Gujarat Legislative Assembly on 29 August 1986 as "NGU Act". The university now has been renamed as "Hemchandracharya North Gujarat University", to honour the great philosopher, thinker and Jain Acharya Hemchandracharya Suri, who made valuable contribution to the studies in grammar, literature, religion and philosophy.

The campus of the University is spread over 221 acres of land. The jurisdiction of the University includes Mehsana, Patan, Banaskantha, Sabarkantha and Aravalli districts having total approximate geographical area of 33,000 sq. km.

## Research & Consultancy Cell (R.C.C.)

**Vision:** To inculcate an excellent research and consultancy culture for supporting research activities as well as innovative services.

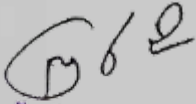

**Mission:** To provide a unique and substantial research with innovative support in encouraging life long and splendid research experience.

### Broad Objectives:

- To provide a one stop management cell in coordinating all matters related to research as well as consultancy activities.
- To strengthen commitment towards enhancing new innovation, invention, design, process and product.
- To help research students, scientists, faculties and policy makers to conduct research and development activities.
- To inculcate the scientific attitude and provide research environment to the students of this region by promoting advanced research technology and amenable methodology.
- To make uniform rules and regulations for research and consultancy for university faculties.
- To enhance the capacity of research scholars and young faculties.

  
Wc. Registrar  
Memchandracharya  
North Gujarat University, Patan

## Collaboration with ISRO (Indian Space Research Organization)

HNGU, Patan is venturing in to development of a land side for calibration and validation of ISRO's Earth observation satellite sensors and its derived geo-physical products over land target.

The major focus of the project is to conduct pre-planned field campaign with scientific instruments over Land, Water and Crop.

Planned to deploy permanent automatic instruments for continuous measurement of weather and atmosphere parameters.

## Research and Innovation

University regularly organizes workshops on development of research proposals in interdisciplinary areas for the funding agencies such as UGC, ICSSR, DSTs, CSIR, GUJCOST, GSBTM and others.

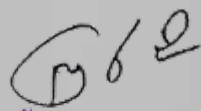

University faculty members receive regular grants from the aforementioned agencies and other international agencies.

To support research and development, University subscribes e-journals from Delnet, Inlibnet, UGC Infonet, J-Gate, Bentham, etc.

University has also installed research and data analysis softwares like SPSS, Matlab, Prowess, Capitaline CL 2000, ACE Analyzer (Accord Fintech), etc.

University has established CIMF (Central Instrumentation Maintenance Facility) and dedicated Research Labs in Chemistry Department.

## Centre for International Cooperation & Studies

The Centre of International Cooperation and Studies established by the university according to the guidelines of Government of India and the notification by the Executive Council of Hemchandracharya North Gujarat University on .....

The mission of the centre is to congregate with the goal of Government of India towards building a world class university and taking the HNG University at the global level.

The main objectives of the centre is to enhance the relations and collaboration with international institutes and universities by student exchange, faculty exchange and joint research and developments. The centre will help the faculties and students of HNG University to seek opportunities to study and collaborate with the academic institutes across the world and providing an opportunity to the international students to study in India.

### Proposed Activities

1. Inviting international faculties and students to work and study at HNG University
2. Organizing international conferences and workshops
3. Organizing international education fairs in different countries under the study in India mission of Government of India
4. Helping the students and faculties of HNG University to study abroad
5. To act as a bridge between students and International organisations to explore new academic, research and funding opportunities
